What Can We Do?

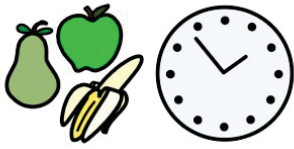

There are lots of fun toys to play with at club.

We also have a different arts and craft activity available everyday too.

Every afternoon we also have the choice of going outside. Here we can play football, use the climbing frame and play other fun games.

The may be some slight changes to the menu to suit the season we're in.

Where is Breakfast Club?

Breakfast Club is in the main school hall.

My grown-up will take me to breakfast club in the morning. This is the entrance to club from the staff car park.

We wait at the door for a member of staff from breakfast club to let us in.

The breakfast club staff will take me to my classroom when it is time for school.

Where is After School Club?

After School Club is in the Rainbow Room.

My teacher or teaching assistant will take me to club at the end of school.

My grown-up will come to get me from the Rainbow Room when it is time to go home.

Where Do I Put My Belongings?

*When I attend club, I can put my coat and bag on a
coloured peg of my choice.*

*I can also put my water bottle in the box just outside of
Rainbow Room.*
