

School Attendance September 2026 Important

04/09/2025

Dear Parent/Carer,

St Laurence Church Infant School continues to work in partnership with parents and the Local Authority to improve school attendance.

A big thank you to the majority of parents who make sure their children attend school regularly.

Your efforts, working in partnership with the school, will ensure that your child will have the best chance to achieve their academic potential and have real opportunity in further education and the world of work. It will also enable your child to:

- access the lessons needed to achieve their full potential
- maintain friendships and develop new ones
- have access to social events and special activities offered by the school
- develop work habits such as good punctuality which are essential to thrive in the world of employment

This is a reminder of our school day timings:

School Day Timings – September 2026	
8:40 am	School doors open
8:45 am	School doors close
8:55 am	Morning registers close
Child arrives at school between 8:55 – 9:15 am	Child is marked 'late' for the morning session
Child arrives at school after 9:15 am	Child is marked 'unauthorised late' for the morning session.
1.05 pm	Afternoon register session begins.
Child arrives at school after 1:35 pm	Child is marked 'unauthorised late' for the afternoon session.
3:15 pm	Children dismissed at the end of the afternoon session

These timings give you a clear and consistent time frame for your child's attendance. The length of time given for registration and when a child will be marked as unauthorised is the same across the Infant and Junior School.

How does your child's attendance compare?

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons

You may be aware of the changes to the law related to school attendance, in particular the new national penalty notice framework. Penalty notice amounts have increased and there is now an escalation process for repeated offences.

The Government has brought in the changes due to concerns about the decline in attendance linking to a deteriorating attainment and progress levels for children over the last few years. There is more information for parents here: [National changes to education penalty notices - September 2024 School attendance, advice for parents Birmingham City Council](#)

If you are worried about your child/children's attendance the first port of call is to discuss your concerns with the school directly. The school has specialist staff who may be able to help, and all schools work closely with health and council teams who may also be able to help if needed. If you have concerns about mental health; domestic abuse; parenting; bereavement; finance; problems with drugs and alcohol; you can find help and support from the 'From Birmingham with Love' webpage: [From Birmingham with Love](#)

It may be tempting to book a family holiday in term time to save on costs during the cost of living crisis. However, family holidays in term time are not allowed in law and are very unlikely to be authorised. Taking children on leave without applying for authorisation may mean the school has to report your child as 'missing' to the local authority and holidays cannot be authorised retrospectively in law. Adding even more absence to the time children have already missed only means that the children miss even more lessons that will not be repeated.

Family emergencies also need careful consideration. It is not always appropriate or in the best interests of the child to miss school for emergencies which are being dealt with by adult family members. Notifying the school of leave due to a family emergency does not mean it will be authorised. Please note that where parents fail to ensure their child attends school regularly, legal action, including penalty notices, may be considered. New regulations also mean that children on extended period of leave may lose their school place where there is no evidence of a timely return to school or the date provided is too far away.

We hope this information is helpful to you. We are looking forward to a fantastic 2026-27 academic year for your child and family.

Yours faithfully,

Mrs Catherine Smith
