SEMH Pathfinder Birmingham

Hi, I'm Emma.

Your Pathfinder School-Based Worker

I can offer support to parents & carers about lots of things, not just about your child in school.

I'm your Pathfinder School-based worker and the Pastoral and Attendance Assistant at St Laurence Church Infant School.

I support children and their families, helping them with both academic and personal challenges as part of the Pathfinder model in school.

My door is always open for a chat. I offer a good cuppa, a listening ear, support and advice. I signpost to other local services, early help and will also provide more long-term support for your family's needs. As a busy mum of 3, I appreciate life can sometimes feel overwhelming and it's nice to know you're not on your own.

Feel free to pop into the office or contact me on the main office number.

Sometimes it's just about walking with you as another human being.
