

Year One Newsletter

November 2014

Well, after a very mild start to Autumn, there is now a definite nip in the air, the nights are drawing in, and Bonfire Night has been and gone. Inevitably our thoughts will now be turning to Christmas and Nativity Play rehearsals. It is a an exciting and enviable time to be part of an Infant School!

The Curriculum

Our Learning Focus for this half term is Autumn and Weather. We have already been on an Autumn walk and hedgerow hunt. Activities in English, Mathematics, Science, Art & Design, DT , Geography and Music have all been planned to link in with this theme. You can find more detail about each subject on the Year One Curriculum Map overleaf.
