

# Year Two Newsletter

May 2014

## Learning Focus

During this half term, our focus will be the celebration of St Laurence School being 300 years old!

We will be finding out about what the school used to be like and how it has changed over the years. If you or a member of your family used to be a pupil at St Laurence and would be happy to speak to the children about your experiences, we would love to hear from you!

Perhaps if you are in the library, or researching on the internet, you could find out about where the school started and what used to be on the site of the current school!

The children will be concluding the half term by thinking about their own three years at St Laurence Church Infant School and reflecting on their favourite memories.

## Mathematics Learning Focus

In Mathematics, we will be revisiting money, practical multiplication and division and shape. You could support your child by encouraging them to find the correct change to pay for an item, or counting how much money is in a money box. It would also be useful to look at and read numbers around them.

## A date for your diary

Our final workshops for Year Two children will be:

2Y Monday 23 June

2R Tuesday 24 June

2B Wednesday 25 June

## Art and DT

Year Two will have their own craft stall at the Celebration Day on Saturday 7th July. The children have already made gift cards and will be designing and making more items over the next few weeks.

## PE

PE will be on a Thursday and Friday this term.

## Water Bottles

As we are (hopefully) approaching the warmer weather, it is important that children bring water bottles to school containing water only.

**Thank you, from the Year Two Team:**

Miss Murphy, Mrs Griffin, Miss Hancock, Mrs May, Mrs Boraston and Mrs Joyner
