

# Year Two Newsletter

June 2015

## Plants and Animals

As you will be aware, this half term children are learning about plants and animals. We will be thinking about ourselves and the similarities and differences between us. We will also be looking at the life cycle of plants and animals and how these relate to each other.

To support your child's learning at home, it would be good if you could talk about why you need to water plants if you are gardening and discuss how they grow.

## Dates for Your Diary

During this half term, children will be taking part in lots of additional activities to support both their learning, and their transition into the Junior School. You have already received letters containing all of the information you need about the following events:

### 2B

Monday 8 June  
Martineau Gardens Visit

Monday 22 June  
Workshop followed by visit  
to Junior School

### 2Y

Wednesday 10 June  
Martineau Gardens Visit

Tuesday 23 June  
Workshop followed by visit  
to Junior School

### 2R

Thursday 11 June  
Martineau Gardens Visit

Wednesday 24 June  
Workshop followed by visit  
to Junior School

Your child will be attending a 'Forest Schools' session with staff from the Infant and Junior schools. This will be on the afternoon of your child's class workshop. More information will follow in a letter shortly.

You will also be invited to attend a Year Two Leavers Celebration Service which all Year Two children will be attending. This will be on Monday 13 July in the afternoon. Once again, you will receive a letter with further details nearer to this event.

## Water

During the summer months, it is essential that all children bring a water bottle to school every day that contains water only.

**Thank you, from the Year Two Team:**

Mrs Cole, Mrs Griffin, Mrs West, Mrs Shakespeare, Mrs Joyner, Mrs Boraston and Mrs Smart.
