

Year Two Newsletter

April 2016

Birmingham

Our learning focus for the first half of the Summer Term will be Birmingham. To support your child at home, you could talk, or help them to find out, about Birmingham as a city. If you visit the city centre over Easter, could you help your child to find famous Birmingham sights and buildings? For example, the Bull, the Rotunda, the 'Floozie in the Jacuzzi', the Iron Man, Selfridges and the Library.

If children do find out anything at home, they will be welcome to tell the class about this after the holidays and can bring in any notes, pictures or photographs they may have.

The third floor of the Birmingham Museum and Art Gallery is about the history and people of Birmingham and is free to enter. This could be a good place to visit on a rainy afternoon!

Mulan

Following our learning about Birmingham, we will be finding out about Hong Kong before comparing the two cities. We will be watching the Disney film, Mulan, to inspire our writing.

PE

Children will have PE on a Wednesday and a Thursday throughout the Summer Term.

Thank you, from the Year Two Team:

Mrs Griffin, Miss Hancock, Mrs Smith, Mrs West, Mrs Perry, Mrs Boraston and Mrs Smart.
