

Year Two Newsletter

April 2017

Birmingham

Our learning focus for the first half of the Summer term will be Birmingham. To support your child at home you could talk, or help them to find out, about Birmingham as a city. If you visit the city centre during the Easter holidays, you can help your child to find famous Birmingham sights and buildings, for example, the Bull, the Rotunda, the Iron Man, Selfridges and the Library. There are lots of really impressive buildings and interesting statues in the city centre.

If children do find out anything they will be welcome to tell the class about this after the holidays and can bring in any notes, pictures or photographs they may have.

The third floor of the Birmingham Museum and Art Gallery is about the history and people of Birmingham and is free to enter. This could be a good place to visit on a rainy afternoon!

Mulan

Following on from our learning about Birmingham, we will be finding out about Hong Kong and then comparing the two cities. We will be watching the Disney film, Mulan, to inspire our writing.

PE

Children will have PE on a Wednesday and a Thursday throughout the Summer term.

Congratulations to Miss Hancock and her fiancé who will be married during the Easter holidays. Miss Hancock's married name will be Mrs Hegarty.

Thank you, from the Year Two Team:

Mrs Griffin, Miss Hancock, Mrs Wallach, Mrs Tellam, Mrs May, Mrs Perry, Mrs Smart and Mrs Egginton.
