Sports Days

We would like to welcome parents to join us for our **Sports Days**, which will begin shortly after 9.00 am, **weather permitting**, and will be held on the field. Please ensure your child has their PE kit in school and their water bottle with them. If the weather is hot we recommend that the children wear a sun hat and you apply sun cream before they come to school. We anticipate that each Sports Day will last for approximately 1 hour.

Last day of Summer Term for children

Creative Arts Week - Carnival

The theme for our Creative Arts Week this year is Carnival. The children will be involved in art, music and performance activities around this theme. It should be fabulous - colourful and exciting. Our Olympics themed Sports Days will take place during this week. Unfortunately we can't all go to Rio either for the Olympics or for Carnival but we will do the next best thing and bring them to Northfield!

Thanks to PALS

We would like to thank PALS for all the events they organise for the school. With the funds that they raise we have recently been able to buy 12 Amazon E-Readers which are really benefiting the children's learning.

Science and Technology Week

Before half term we had a Science and Technology Week in school. It was fantastic fun and very interesting. We had the chance to meet some inspirational people and do some really cool experiments.

'Hello and Welcome'...

In September we will be welcoming Mrs Raiken Opoku and Miss Rebecca Lawler. Miss Lawler will be teaching in Y1 and Mrs Opoku will be teaching in Reception.

'Goodbye'...

Mrs Sue West and Miss Hannah Greville are leaving us. Mrs West is moving to a Senco role in another school and Miss Greville is going to travel for a while before going home to Wales to continue her teaching career. We thank them and wish them both the very best of luck. Mrs Pat Russell, lunchtime supervisor, is also leaving after many years' service to the school and its children. We thank her and wish her all the best in the future.
