

There has been a fantastic response to Evie's appeal. The collected goods have gone to help people sleeping rough in Birmingham.

Thank you all for your generosity.

The week beginning 9th July is our Creative Arts Week. Our theme for the week is 'Giants'.

If you have any artistic talents, for example if you play an instrument and would be willing to play for the children or you work in a creative industry and could share your skills with us please think about coming in and working with us during the week.

A massive thank you to the PTA.

The PTA have donated £3000 to school. We will be spending this money on reading books. The fundraising the PTA do is now vital to supplement the school budget so thank you to everyone who helps with the PTA and everyone who supports their events.

The Summer term is very busy so here are some dates for your diary.
Dates for other Year Group events will be notified separately.

Friday 20 July
PTA non uniform day
Children break up for Summer

Take care parking or turning your car round outside school when you drop your children off or collect them at the end of the day.
Please queue safely when buying an ice cream from the ice cream van.

Take care in the sun

Be prepared—sunglasses, a sun hat and sun screen all help protect children from the sun. Please make sure items are named.

On Thursday 24 May we hosted a football tournament between five local schools. We had two teams made up of children from Year 2, both girls and boys. Our teams did really well, showing skill, a healthy sense of competition and great sporting attitude.
Well done St Laurence!
