

PE and Sports Grant

Since 2013/14 the Government has provided additional funding to schools to improve the provision of PE (Physical Education) and sport in primary schools. The funding for each school is determined by the number of pupils between the ages of 5 and 11.

For the Academic Year 2016/17 we received a PE and Sports Grant Allocation of £8,900.

The PE and Sports Grant funding is used towards the cost of our excellent PE provision, which is led by two qualified PE coaches. The coaches work alongside both teaching and support staff to deliver a high quality Physical Education curriculum which includes games, gymnastics and dance and to provide training opportunities for the staff.

We also offer free after school dance and sports clubs each term and lunchtime activity sessions in the playground or on the field.

Activities selected	What this does?	Targeted Pupils	Impact	Cost
After School Sports Clubs	Provides a free after school sports club place for every child in school	All	90% of children accessed free after school sports clubs	£4,450
PE coach led lessons	Delivery of high quality Physical Education curriculum and provision of training opportunities for the staff.	All	Ofsted noted "Physical education (PE) is a particular strength and pupils benefit from the high-quality lessons and clubs provided."	£4,450

Please note, that other non Sports Grant funding was also used to support these activities.
