

September 2nd 2020

Dear families,

I hope you have had a lovely summer break and managed to do some of the "normal" things which we all missed during the height of the pandemic.

Myself and the whole of the staff here are really looking forward to welcoming all of our Year One and Two children back into school tomorrow. It feels like such a long time since we all been together!

I know there will be some families who are delighted to be returning, and others who feel much more apprehension.

I wanted to assure you that we have all thought very carefully about how we can minimise the risks around being in school, and that the safety of the children, parents and staff is my top priority. On the school website you can find a copy of the comprehensive risk assessment, and the letter sent out before the holiday explaining the arrangements and staggered drop off times and locations.

I have attached a letter from Birmingham City Council explaining the importance of school attendance. If you or your child are feeling very anxious about the return to school, please contact us and let us know. We want to help support you in what has been such a difficult time.

Catherine Smith
