Thank you for considering St Laurence Church Infant School for your child's Reception place in September 2021.

Finding the right school, where you feel confident that your child will flourish and succeed as they start their formal education is probably one of the most important decisions you will make as a parent or carer. We know that this year it is an especially hard decision because you are having to make these choices without being able to physically visit the different schools.

To help you get a feel for us here at St Laurence, we have put together a "[virtual tour](#)" We are by no means experts at making these videos but we hope it will give you a flavour of our approach to education and the ethos of our school.

I'm sure there will be questions you have which haven't been addressed in the video, so if there is anything you would like to ask, please [contact us](#) and we will be happy to help.

There is lots of information on this website and we also have a school [Facebook page](#) and which may be of interest to you.

We are a popular and oversubscribed school, so we always recommend that parents, who are considering selecting us, read our [admissions policy](#) (September 2021) to check which category their application will fall under. We have not yet had a year where we have been able to admit children choosing us under "Category 6". If your child will fall under this category, you may decide to use your three choices for schools at which you have a better chance of gaining a place.

Whatever you decide, we wish you and your child the very best start to their time at school.

Yours faithfully
