

St Laurence Church Infant School PTA's Photography Competition

We are pleased to launch our first photography competition. We thought this is something everyone can get involved in on your daily exercise walks. You don't have to be a professional photographer – just a snap on your phone is all you need.

Spring is just around the corner (thankfully!) so 'new life' is the theme. This can be interpreted any way that you like.

There are 6 categories with a prize for each:

- **Preschool/younger sibling**
- **Reception**
- **Year 1**
- **Year 2**
- **Older sibling**
- **Adult (parent/grandparent/carer/family member)**

All you have to do is email your entry to stlaurenceinfantschoolpta@gmail.com stating which category the photograph is being entered in. There is no cost to enter. Families can enter as many different categories as they like. We would like to share some entries on Facebook and will only use first names only. Please let us know on the email if you're not happy for yours to be shared.

Please send in all entries by the end of February – deadline Sunday 28th February 2021. Happy snapping!
