St Laurence Church Infant School

Feeling safe and happy at school

At St Laurence Church Infant School, we do all things with love.

Because we love you, we want to make sure that you feel looked after, safe and happy when you are at school and when you are not at school.

The grown-ups at school all work together to make sure that this is happening.

We need your help too. Sometimes we don't know if something bad is happening, so you need to tell us.

This book looks at safeguarding and helps you to stay safe and happy.

We can help you by:

- Helping you to spot problems
- Helping you know your rights
- Showing you where you can get help
- Teaching you what to do if you or someone else feels worried or not safe.
- Making sure you know who the grown-ups are that you can speak to.

Is someone bullying you?

Bullying is where children are mean or unkind to each other.

They might be hurt or left out.

They might be called names face to face on phones or online.

It usually happens more than once.

If you feel that you are being bullied ...

Do NOT keep it a secret!

Speak Out and Stay Safe!

Has someone hurt your body?

Sometimes someone might hurt a child. They might hit, punch or kick them or hurt them in another way.

They might have left marks like cuts or bruises.

They should not do this. You have a right to be safe.

If someone isn't respecting your right to be safe ...

Do NOT keep it a secret!

Speak out and stay safe.

Privates not being private

Your private parts are covered by your pants.

Sometimes people may want children to do things with their body which might make them feel uncomfortable or unsure. Sometimes this involves the private parts of the body.

This could happen online or face to face.

If someone isn't respecting your right to privacy...

Do NOT keep it a secret!

This could be someone calling you names or making you feel like you can't ever get it right.

It might happen at school, at home, or online.

This doesn't leave a mark that can be seen but it hurts on the inside.

If someone is hurting your feelings...

Not looking after you properly

Some children are not looked after properly.

Maybe they are left in the house all alone.

Maybe they don't have enough food or clothes to keep them warm.

If you are not being looked after properly...

Do NOT keep it a secret!

Speak out and stay safe.

Is someone giving you things you shouldn't have?

What to do if you don't feel safe at school or at home

Speak out and Stay safe

Always remember that it is not your fault and you are never alone. You shouldn't be scared to talk to someone. If you talk to a grown-up, we can help put things right.

The first thing you should do is **tell a grown-up that you trust**. This could be a family member or someone at school.

At school, you can talk to:

- Mrs Smith, Mrs Desogus, Mrs Evans or Mrs Holmes
- A teacher
- An adult in your classroom
- An adult who helps you at break time or lunchtime
- Any adult in school

You can put your peg on buddy to show you want to Speak out and stay safe

If things don't get better straight away, keep speaking out until something gets better.
